FERTICA
PREMIUM SPC FLOORING

OTTOMAN Floor's **Brand New SPC Collection** is up to the task in both home and commercial settings. Design your affordable, easy-care, and fashionable flooring, without sacrificing comfort and style.

NEXT GENERATION SPC LAYERS

FERTICA
PREMIUM SPC FLOORING

A next generation, waterproof technology using **Stone Plastic Composite** flooring, our products feature an easy install-locking system, and five layers at a total thickness of 5 mm, including a special wear layer that protects against scratches, spills, and sun damage.

RESIDENTIAL & HOMES

The installation of all OTTOMAN Floor products is easy, quick, clean, and quiet. Choose our affordable and durable products to effortlessly build and maintain **comfortable and refreshing living spaces**. You can draw on a wide variety of design concepts to create your own decorative, warm, and playful floor combinations.

FERTICA
PREMIUM SPC FLOORING

COMMERCIAL & RETAIL

With its waterproof Rigid Core technology, as well as **antibacterial and acoustic qualities**, the new SPC Collection can help you create comfortable working and living environments in a wide range of settings, from sports centers to schools, from hospitals to offices, and other commercial spaces.
